FEBRUARY 2015

PRESIDENTS REPORT

Well the first practice for 2015 was a great success, with over 100 riders turning up to try out the new track changes. The changes were well received by all, and it was great to get some positive feedback from the riders. After observing the riders and taking on board the feedback, we have made some slight mods to make the new changes even better. It's now official Bluerock MCC has been given the first round of the Gippy Centre titles, which is fantastic news for the club, now it's up to the club to put on a show to set the standard for the rest of the year, this can only be achieved with the help of you the members, there is a plan for a Working bee on Sat 21st and Sunday 22nd of Feb, I know trying to find spare time is always hard but it is your club so let's all take some pride in it and make the effort to come up and lend a hand, one day, two days or even half a day, there is lots to be done, so please try and make the effort to help this event be one not to be forgotten, all members that help out at the working bee will receive a free ride pass for a practice day of your choice. Just a reminder that in order to compete in the Gippys you must be a member of a Gippy Club, so if you haven't renewed your membership yet it's a good time to do so, there is still a chance to ride the new track with the first round of our club champs on Sunday the 15th of Feb and finally a big shout out to the new committee, you are all doing a fantastic job, also all the members putting forward some good ideas and getting more involved in the daily running of events, it would seem that the club is good hands. A Special thanks to all those that assisted at our last Working Bee, although it was short notice, we thank you and appreciate your help. To those who choose to disregard that Corner Duty is Compulsary and had a bit of a whinge at the last practice day, well we are sorry to say, that we know who you are and will deal with it accordingly, so be aware. Corner Duty is Compulsary and you need to bring someone along to either do your share or you will miss out on a round, just keep that in mind. See you all at the track. Cheers Brad West
