**APRIL 2015**

## **PRESIDENTS REPORT**

Well, we finally got to run the first round of the club champs on April 11th and what a great day it was. The weather conditions were perfect and we saw some great racing. With a lot going on in the sport over the weekend, the entry numbers were a bit low but a great day was had by all. With the club going through a lot of changes at committee level, it was fantastic to see some fresh faces stepping up and doing their share of the work to help the day run smoothly, so thank you to all that helped. I'd like to welcome a couple of new faces to the committee, Scott Brewster has taken on the role of Vice President and Debra Woods has taken on the role of Race Secretary, along with Dawn Baker adding the role of Membership Secretary to her existing role of Treasurer, the club thanks you for your support and thank you to our members for their patience. Thanks to Annaliese Alderson and Debra Woods for assisting in lapscoreing on the day, results will be available shortly for posting to the website, if you have any queries in regards to the results, please email us your details to [bluerockmcc@yahoo.com.au](mailto:bluerockmcc@yahoo.com.au) and we will look into it. To Scott Guy and Jacob Eustace the club wishes you a speedy recovery and hope to see you back soon. The Committee decided rather than hand out raffle tickets at the club day, we would utilise the Prizes donated by Peter Stevens for their outstanding efforts at the Club Day, winners as follows:

\$200.00 Voucher Jacob Eustace (voucher will be posted due to injury)  
\$100.00 Voucher Thomas Gadsden (voucher available for pickup at the next practice day)  
\$ 50.00 Voucher Matthew Cartwright (voucher available for pickup at the next practice day)

Congratulations to our winners and a special thank you to Peter Stevens for their ongoing support. Times are tough at all clubs at the moment, with the increased popularity of ride parks, these places are great to go and get in some practice but it's important that all riders remember to support your club, there can be a good balance, when your club has a practice day or a race day go along and support it, when it doesn't have anything on, go to the ride parks, there can be a good balance, your clubs cannot survive without your support, all clubs need to generate money in order to continue, at the moment most people are choosing to spend their hard earned at a ride park, if this trend continues, clubs will be forced to close then we will have no where to race, take the time to think about the future of our great sport and what you can do to insure it continues to grow and prosper. Our next club champs are on the 30th and 31st of May this will be Round 2 and 3 on the same weekend, so get all your mates together, come up and enjoy the racing and help recreate the friendly atmosphere that's lacking in our sport, with the two rounds being run over the same weekend it's a great chance to camp the night catch up and socialise with your fellow club members.

Finally, I hope all those who competed in the second round of the Gippys at Maffra achieved the results you were looking for and good luck to our Juniors competing at Colac in a few weeks.

See ya at the track!

Regards Westy

**CLOUD ENTRIES IS COMING SOON AND SHOULD BE AVAILABLE FOR ROUNDS 2 & 3 OF OUR CLUB CHAMPS, JUST A FEW FINISHING TOUCHES REQUIRED PLUS A LITTLE TRAINING ☺**

## CANTEEN

A big thanks to Andrea West, Sharyn Carroll for looking after the canteen and her helpers for the Club Day round, Lesley Guy, Raelene Sinclair, and I'm sure there were others of which we thank you. Unfortunately, we do require someone to make a fulltime commitment, otherwise the canteen will not be open on all Practice Days, so please let us know if interested and we will discuss further.

Website updates cannot always take place immediately, but this is due to peoples work commitments and as our club is run on a voluntary basis, we therefore request you rely on our text message updates prior to the website being updated or please check our Facebook Page. In saying this, we are currently amending the contacts in the phone and also the Membership emailing list, so hopefully we will have this sorted asap.
