JUNE NEWSLETTER:

PRESIDENTS REPORT

Hi all, the second and third round of the club champs were run and won on the 30th and 31st of May, what a great weekend it was. Saturday the weather was good although a bit windy and a tad chilly, but overall we witnessed some fantastic racing across all classes. Saturday night, the girls in the canteen decided to put on a BBQ dinner for the family's camping overnight, it was a great success and it was good to see some new faces mingling and getting to know our fellow club members, this is what a club should be like, good fun and good times had by all. Sunday the weather prediction was for late rain, so we combined some classes and set out to try and get in four rounds of racing, we managed to achieve this with minutes to spare, the rain began on the last lap of the last race, what perfect timing. It was fantastic to see more and more parent's and club members starting to help out around the place, keep up the good work. A big shout out to the committee for all there hard work to make this weekend such a success. But most of all, a BIG thanks to Danny Hansford for the days he spent on Tractor Repairs prior to the Club Champs. A Special mention to Warren Frost for his great flag work and quick response during a crash on Sunday. A speedy recovery to Acland Rush, Eric Dewar and John Kamenek, we hope to see you all back on the track real soon. Good luck to those competing in the up and coming Vic titles and the fourth round of the Gippys, stay safe and see you at the track. Westy
