JUNE/JULY NEWSLETTER 2017

Dear Members,

It's almost the end of another financial year and it won't be long before we are saying it's almost Christmas, now that's a frightening thought I must say !!!

The calendar has been fairly busy with so many events such as Gippsland Centre, which includes our Round held in May, of which a big thankyou goes out to everyone which includes the Committee and volunteers in making this event happen, unfortunately, the weather was not so kind on the Sunday and the track certainly copped a beating. A lot of hard work goes into making these events happen and can be a thankless job, so please remember those that do make the effort in bringing you a track in which for you to ride on, not only these kind of events, but Practice Days and Club Days and as we are all volunteers, sometimes we don't always get the help when needed, so we appreciate those that assist. Then of course, we have other major events such as the Vic Titles - Junior & Senior and also Australian Titles. I think it would be fitting to congratulate our Blue Rock Members on their current results overall, hopefully by the end, even if you don't have a podium finish, you have accomplished and achieved great results and will have made yourselves a better competitor of which you should be proud, so keep up the good work.

A Special mention goes to Sharyn Carroll, Kathryn Dwyer and Rae Sinclair for their efforts in purchasing the food for our Gippsland Centre Round. It's a massive job having to estimate how many to cater for, so thankyou to you all, although very exhausting. To all of the other helping hands that assisted in the canteen, of which there are too many to mention, you too also deserve a HUGE thanks, you all did a fantastic job !!
