Ride Day Guide

Welcome to Blue Rock Motorcycle Club - Motocross Energy Park Complex.

General Ride Days

Please ensure you sign in at the Office/Canteen upon arrival, riders must not enter the track without an approved wristband issued when you sign in. We recommend arriving early to take advantage of a full day of riding. Our site opens at 8am with a rider's safety briefing at approximately 9am. Riders are able to enjoy our main track in group sessions throughout the day. Mini riders have access to our beginners only tracks including the Grass, Speedway and Mini's Track all day long and must be supervised by an adult at all times.

We love seeing supportive adults ride alongside our juniors so opportunities for this are available on the Main and Grass Track. We also have a number of experienced, helpful volunteers to assist solo riders around and on the tracks. **Please note we are a cash only site.**
